

## Savona Terminal Auto port concession has been extended a further 17 years

26 September 2019

### The Grimaldi Group terminal operating company presents a 7-million port investment plan

*Savona, 26 September 2019* - The Western Ligurian Sea Port Authority and Savona Terminal Auto have undersigned the new port concession agreement, extending the concession period by an additional 17 years, with the official go-ahead to the implementation of the Grimaldi Group 7-million euro investment programme for the construction of a new multi-level vehicle storage warehouse equipped to accommodate 2500 vehicles and an area along the quay to cater for heavyweight vehicles in import-export.

The terminal, which covers a 42,000 sqm-area in the historic port basin of Savona severely hit by the violent seastorm of 28 October 2018, features a portfolio of clients includes the major automobile companies such as Volkswagen, Seat, Audi, Ford and Maserati.
